Tickets are now on sale for the December giveaway of the 2008 Central Valley St. Jude *Dream Home*[®], built by De Young Properties. The 1,712 sq. ft De Young home at the Brentwood Loma Vista community in Clovis will be offered as the first place prize in the hope to raise funds to help the kids of St. Jude's fight cancer and other catastrophic childhood diseases.

Only 10,000 tickets will be sold and one hundred percent of the proceeds are donated to the St. Jude Children's Research Hospital which works around the clock to develop cures to save the lives of boys and girls, including children in the San Joaquin Valley. In 2007, the combined efforts of De Young Properties and other partners of the 2007 St. Jude *Dream Home* Giveaway raised \$1,003,545 for St. Jude.

Paula De Young, an owner of De Young Properties, said, "We became involved because we can help children everywhere, but also because we can change the life of a local family by giving them a new home."

Nestled in De Young's Brentwood Loma Vista community at Shaw and De Wolf Avenues in Clovis, California, the St. Jude *Dream Home* offers three bedrooms, two baths and a two car garage. The dreams of the winning family will come true with the home's long list of special features, including a brick-accented elevation, imported granite kitchen counters and premium-grade tile floors. The home also includes General Electric appliances, the bold look of Kohler plumbing fixtures, interior walls pre-plumbed for Home Defense Pest Control System, professionally landscaped front and back yards, spacious covered patios, an energy recovery ventilation system, a tankless water heating system and dual-pane glazed windows.

"Even beyond the chance of winning this wonderful home, our entire community can rally behind this great cause to support St. Jude," said De Young. "No child is ever turned away because they don't have money, which is why the support of our community is critical. St. Jude covers all expenses. When a family from our community has a child treated by St. Jude, all the day-to-day details are taken care of so they can focus on their child."
